

Empowering Futures: Partnering for Impact

Your support creates opportunities, transforms lives, and leaves a legacy of impact.

At Southern Alberta Collegiate Institute, we are proud to offer sponsorship opportunities that support student career exploration and training in Agriculture, Health Care, and Trades. Our flexible partnership options allow businesses and organizations to make a meaningful impact while gaining valuable recognition and community engagement opportunities. Together, we can help shape the next generation of skilled learners and future professionals.

Sponsor Benefits: Make a Lasting Impact

- **Boost Your Brand Visibility:** Gain recognition through strategic media coverage and prominent inclusion in our marketing and promotional campaigns.
- **Champion Community Development:** Showcase your commitment to building stronger communities through recognition in Corporate Social Responsibility (CSR) reports.
- **Exclusive Networking Access:** Connect with industry leaders, like-minded sponsors, and key stakeholders at invitation-only events.
- **Engage and Inspire Your Team:** Provide your employees with meaningful opportunities to volunteer, mentor, and actively contribute to shaping the next generation.
- **Empower Future Innovators:** Directly support transformative education in Agriculture, Health Care, and Trades, creating pathways for career success.

**IF YOU ARE INTERESTED IN PARTNERING WITH THE

YOUR STRENGTHS. THEIR FUTURE.

Every organization has something valuable to offer students. At the Southern Alberta Collegiate Institute, we welcome partnerships built around your strengths, resources, and interests. Alongside financial contributions, partners can sponsor an E3 workshop, competition, or career event, or contribute tools, materials, technology, and access to industry facilities. These contributions help students connect classroom learning with practical experiences in Agriculture, Health Care, and Trades.

Your knowledge and time can make a lasting difference, too. Through demonstrations, guest speaking, and mentorship, industry professionals help students discover career possibilities, build confidence, and understand the skills needed in the workplace. Whether you want to support a single student experience or develop an ongoing partnership, our team will work with you to find an opportunity that aligns with your organization and meets student needs.
